Good thinking – I wasn't thinking that we shouldn't post anything else but we shouldn't!

Maybe we should send this to Jessica Orquina, who is running the R8 Facebook page this week. I know she doesn't want anything but Gold King Mine posted for now, but she can decide when it's OK to post this.

Thanks!

Hi Lisa & Rich,

I understand in talking to Wendy that we are not doing anything with the media right now until further notice. Since I'll be out 8/14-8/18 here the event info in case we are able to resume communications. Otherwise I'll assume that we will not be doing anything on FB or sending out a Media Advisory.

Thanks,

Jasmin

Future Land-Use Brainstorming Meeting Planned

The public is invited to a brainstorming meeting to discuss possible future uses of the Lincoln Park/Cotter Mill Superfund site. Hosted by the Environmental Protection Agency in partnership with the Colorado Department of Public Health and Environment, the visioning process will consider a variety of potential future land-use options, including economic development; renewable energy generation; education, historic preservation and cultural heritage; recreation and wildlife habitat; and more.

The meeting will be held from 7 p.m. to 9 p.m. Thursday, Aug. 20, in The Abbey in Cañon City. For more information, call Jasmin Guerra at 303-312-6508.
